Employment Rates for Graduates of Au.D. Program

(Results are from our most recent Alumni Survey, conducted in March 2008. Data are for individuals who graduated between 2003 – 2006.)

- 100% of the respondents to our survey indicated that they were employed in at least one audiology position after graduating, and have worked full-time.
- 83% of these individuals signed an employment contract within 3 months of graduating.
- 70% of these individuals had signed an employment contract prior to graduating.
- 65% of these individuals were offered employment at the site where they did their externship.
