

# **Additional Instructions for International Students**

## **Doctor of Audiology Distance Learning Program**

---

### **Official Transcripts**

A Master's degree in Audiology is a requirement for admission. Your degree must be deemed equivalent to a U.S. Master's degree by the International Admissions Office. International transcripts will take longer to process. It is *suggested* that you submit your application and transcripts at least two weeks prior to the application deadline.

### **Graduate Record Exam (GRE)**

All international students seeking admission to the Graduate School at the University of Florida are required to submit satisfactory scores on the Graduate Record Examination (GRE) General Test. A minimum score of 1000 is required. For information regarding test dates and locations, please go to [www.ets.org](http://www.ets.org).

### **Language Requirements: TOEFL**

All non-US and Puerto Rican applicants must submit TOEFL (Test of English as a Foreign Language) scores as part of the application process, unless they are citizens of a country or territory where English is an official language, have spent at least one academic year as a full-time student at a college or university in a country where English is an official language, or earned a prior master's degree or doctorate at an accredited university in the United States. Click here to see a list of TOEFL-exempt countries: [TOEFL-Exempt Countries](#).
